FEB 03 1999

LICENSING & REVIEW

Dear Sir:

This is to notify you that an affirmative determination has been made, on behalf of the Secretary of the Navy, that the national interest requires that the invention continue to be kept secret and that the grant of a patent continue to be withheld.

UNITED STATES PATENT APPLICATION NO. 07/926,200

FILED: 7 AUG 1992

INVENTOR: PAUL M. DUNN

TITLE: CLOSED BRAYTON CYCLE DIRECT CONTACT...WITH 02 AFTERBURNER

PROSECUTED BY: (X) GOVT ( ) CONTRACTOR ( ) UNKNOWN PARTY

CASE NO. 72,939

Current secrecy order expiration date is 24 FEB 1999.

Accordingly, it is recommended that the order be renewed.

Sincerely,

  
INA G. GRIFFIN  
By direction of  
Chief of Naval Research
